FISHERIES CERTIFICATE SCHEDULE

Austral Fisheries Pty Ltd and Australian Longline Fishing Pty Ltd

CHAIN OF CUSTODY

Only product caught in the manner defined in the Units of Certification shall be eligible to enter the Chain of Custody. When shipped to customers in sealed shipping containers, chain of custody should commence on receipt of the product by the customer at which point the product shall be eligible to carry the MSC logo. For any product that is not transported in sealed containers and is handled by another organisation such as a processor prior to sale, chain of custody will be required at the point of landing. There are no restrictions on the fully certified product entering further chains of custody. The Australia Heard Island and McDonald Islands toothfish & icefish fisheries do not require its own chain of custody certificate.
